

**RISE Charter School District #562**  
**REGULAR BOARD MEETING FY26**  
**MONDAY, DECEMBER 15, 2025**  
**Agenda Item 6a: Policy 9450 – Firearms**

=====

The Firearms policy is scheduled for its second reading. Luke Schroeder, Superintendent of Kimberly School District, will attend to discuss the rationale behind Kimberly School District’s adoption and implementation of this policy. Ken Mencl, Twin Falls County Sheriff, will also be present to provide insight into the potential benefits and concerns associated with allowing firearms on school property.

At the board’s request, a survey was distributed to RISE Charter School staff to gather feedback on the proposed policy. Survey results will be presented for board review. The board will then engage in discussion and deliberation regarding possible adoption of the policy.
